

Welcome to the Florence Car Show

The annual Florence Colorado Car Show is a relaxed, noncompetitive showing of classic cars, along with fun family friendly events, great food and shopping in historic Florence, Antique Capital of Colorado on May 20, 2018.

Come to Main Street in the small town of Florence, Colorado on scenic Highway 115 to celebrate the 17th anniversary of one of southern Colorado's favorite car, truck and hotrod shows!

The Car Show started back in 2002 with only eleven cars and has now grown to over 200 cars annually.

With historic Main Street closed off, local Florence businesses host car collectors, car lovers and their families for this one day event.

Enjoy the day shopping for antiques, viewing classic and custom vehicles, touring the local Pioneer Museum, enjoying local art galleries along with a variety of wonderful local restaurants, cafes, and bars.
